People**

**and no wonder.
this year's coat
at last year's
price**

In our 1st floor Fashions
Department we're presenting
the 1973 Camel coat.

Soft, luxurious Wool Velour.
Light to wear. But warm
enough for frosty mornings.
In sizes 12 to 18.

And most sensational of all.
At the same price as the
identical coat we presented
last year. Only £12.95.

That's real value. But then we
really do want to make you
happy.
