Fashion rave-up with Mary Quant Cosmetics - Slough

As a follow-up of the Dave Cash/Revlon/"19" Magazine evening (May 7) we are staging a Traffic Lights/Mary Quant/"Honey" Magazine party Wednesday, September 17.

"Honey" Magazine's Beauty Editor will talk about beauty (what else?); the Mary Quant company will provide some cosmetic samples; and girls of varied shades will frolic about in Traffic Lights clobber.

We are promoting the evening exclusively to the teenage and teenage-plus market, as we did for the Dave Cash evening.
