

A. PRAYER

Oh! Father Xmas, hear
my prayer,
And grant it if you can.
I've hung a pair of
trousers there,
Please fill it with a
"MAN".

D.L.

2/6 HALFCROWNS 2/6

Did you know that halfcrowns are being demonetised at midnight on 31st December 1969.

Remember what happened to the $\frac{1}{2}$ d. on 1st August; that was demonetised and was worth nothing after that date. The same is happening now to the halfcrown, and on Thursday, 1st January 1970, this coin will only be worth the value of the metal it is made of.

So, remember to spend your halfcrowns before the end of this year, and also remember that we will not be accepting these coins from that date.

Make the most of your halfcrowns this Christmas, but do not have a disappointing New Year by having valueless coins in your pockets or handbags (or Suters tills).

P.S. Bradford,
Secretary.
