HAPPY OCCASIONS

For two ex-members of our Slough store.

Jenny Pipping had a baby girl, Nicola Karen, on the 7th November 1972, at the Canadian Red X Hospital, Taplow.

Jenny was in our employ for some years, firstly in the Shoe Department and then latterly in the Personnel Department.

Marian Packman, from our Lighting Department, also had a baby girl on the 24th November 1972, at Amersham Hospital, baby's name Jenny Clare.

Two lovely babies, is the report from various members of staff who have already seen the infants.

Our congratulations and best wishes to them both – and to the Dads.

COFFEE BAR GOSSIP

Two ladies having coffee. One said, "I have to meet a friend and just can't remember whether it is six or seven o'clock, outside Suters or at the front of the station".

The other one said, "Would you recognise her if you saw her".

Another lady, sitting at the end of the bar, asked for coffee. She was given the coffee and then straight away knocked the cup off the end of the bar (and broke the cup). She turned round and said, "You didn't tell me that was the end of the counter, did you?"

Can't win, can we?

Mrs. Gardener,
Coffee Bar, Uxbridge.
