PRESENTATION - MRS. JOAN BUNDEY

A very pleasant ceremony was performed on Wednesday, 25th April, (the second one this year) by the Chairman, Mr. Frank Suter, in the presence of the Managing Director, Mr. David, and the writer, when he presented Mrs. Joan Bunday with a gift to mark her 25 years of loyal service to the Company.

Mrs. Bunday joined the Company on 13th April 1948, and has worked in the General Office during the whole of her time with us.

Mr. Frank, in making the presentation, said how much pleasure it gave him to hand a gold watch or memento to each member of the staff who qualified for this honour. It showed great loyalty and devotion to their job, and was much appreciated by all the Directors.

Mrs. Bunday, on receiving the watch, said how much she appreciated having it, it was just what she wanted, and she thanked the Company for giving it to her.

After the presentation all those present recalled past experiences in the Company. Mrs. Bunday, who had been interviewed by the writer for the vacancy, recalled that clothing coupons were one of the problems that had to be dealt with by the Office staff at that time.

Later the party went to the restaurant for lunch and continued to reminisce over previous times and the various members of the staff who had served the Company. It was indeed a very enjoyable occasion, a good lunch and very relaxed conversation.

J.D.Suter,
Director.
