OBITUARY - Mrs. Joan Smith

We regret to record the death recently of Mrs. Joan Smith after a very long illness most patiently borne.

Mrs. Smith entered the Company as Staff Training Officer in 1970, and during the time she was in our employ she did a wonderful job in teaching newly employed entrants the various methods required in this organisation. She also organised with great efficiency refresher courses for the longer serving members of the staff at all levels.

She was a very likeable person, always so pleasant even though she suffered at times due to her illness, but anyone with such a smiling personality as hers would make the best of any difficulty.

Mrs. Smith joined the A.T.S. in 1943 and was demobilised in 1947 with the rank of Company Sergeant Major.

She was a member of the Schools Career Service of Youth Employment, a member of the West Riding Special Constabulary, Yorkshire, and executive member of the Hotel & Catering Industrial Training Board Group Training Scheme. She was Staff Training Officer at Littlewoods and J.F. Dixon of Southend, and also had many other activities.

Mrs. Smith leaves a widower and one daughter, and to them we tender our deepest sympathies.

J.D. Guter,
Director.
