NEW DEPARTMENT
AND YOUR CHANCE TO WIN £5.

Those of you who read the staff notice boards will know that we are planning to open a new department on the first floor at Slough, and we would like your help in naming this new section.

The new department will cater for exclusive "couture" type fashions. The décor will be olive green and white with three Gothic arches at the entrance, i.e. more elegant than any other department on that floor.

We have already had a number of suggestions for the name of this department, but we would still like to hear from those of you who have not contributed.

If you have any ideas, please put these on a piece of paper with your name and give to Mr. David or me.

REMEMBER

The name selected could earn you £5.

Introduce a new fashion ambience

On our 1st floor we've created a rather special fashion room. Where you can choose beautiful clothes. At leisure. And far from the madding crowd.

In our search for the very best quality we've selected dresses and coats from

only top-line houses. Like Aquascutum. Alouette and Degn from Denmark. Paris inspired Louis Feraud. And Rembrandt.

We're very excited about the Chiltern Room We think you will be, too
