OBITUARY – MR. F. W. TOMLIN

It is with very great regret that I write this announcement of the passing on of Mr. F.W. Tomlin, who died on Thursday 28<sup>th</sup> October, after a fairly short illness, borne with great fortitude and courage.

Mr. Tomlin joined the Company in November 1946, firstly as Assistant Buyer to Mr. Whittaker, and when the latter left us to take up an appointment with Arthur Howard & Co. Ltd., Mr. Tomlin was immediately promoted to take his place.

When, in 1968, the senior Directors resigned executive duties, the Merchandise Director, Mr. Tom, appointed him to be Men's Wear and Durables Controller. As a result of his success in that capacity he was given the post of Financial Controller, a position of great responsibility which he carried out in a most satisfactory manner right up to his illness in July.

Mr. Tomlin was one of very successful buyers. He had an immense knowledge of the trade, he was always very honest in his transactions, and as a result was well liked by all who knew him, customers, fellow traders, wholesalers and not least, by his fellow workers.

It has been the custom of this Company to present to its employees who have had 25 years continuous full-time service with them, either a gold watch or some other memento as a mark of appreciation of their services rendered. In this case the Board decided that a transistor radio would be most acceptable, and because of his illness and with the hope that it would be appreciated by Mr. Tomlin, the Chairman, Mr. Frank Suter, and in the presence of the writer, presented it to Mrs. Tomlin on Wednesday 27<sup>th</sup> October. Her husband unfortunately, was in a coma at the time, so did not realise our being in his house.

All members of the staff will join me in expressing to Mrs. Tomlin our deepest sympathy – his death will be felt by all of us.

J.D. Suter,  
Director.
