### ROBERTS MARINE MANSION

You will probably remember that in the Feb./Mar. issue of Spotlight, the first two pages were devoted to giving details of accommodation at the Roberts Marine Mansion at Worthing.

You will also probably have wondered why!

The answer is that in common with most employers in this day and age, the welfare of the employee is one of their many considerations. Roberts Marine Mansion at Worthing is one way that the Textile Trade and affiliated concerns (and this includes Suters Ltd.) show appreciation of their staff efforts and loyalties.

By making annual grants and/or subscriptions, those responsible at Roberts Marine Mansion (and incidentally in many such establishments throughout the country) are able to offer accommodation to those employees in the Textile and allied concerns at very much reduced rates.

What then, you may ask, is it like at Roberts Marine Mansion, what shall I get for my money, what sort of place is it?

To find the answers to these and other questions I decided to spend a week there last week and very glad I was too. The bedrooms, lounges, etc. were really first class and very comfortable. The food was good, cooked well and in plentiful quantities. The staff were very pleasant and helpful in every way. In fact, it is a wonderful place and I can recommend anyone to go there for a holiday at any time of the year. I am sure that they will be as thoroughly satisfied as I was. So much that within two days I had booked for my summer holidays in July.

You will find a colored postcard on the notice board showing the hotel, and now all you need to do is either telephone direct through on S.T.D (and from Slough the dialling is 0903-48147), or write to the Manageress to provisionally book the dates. Upon confirmation, obtain an application form from Personnel (this is obviously to confirm that you do work at Suters) and then send it off with the required deposit which is £2 per person.

Happy holiday, you are sure of it!

C.C. Barrett,  
Office Manager, Slough.
