

September 1969

Mr Cyril S Reed was the store Manager at Slough for years.

In April 2014 via the 1970's Facebook group comments there was this "**Michelle:** *Thank you for sharing. My Grandad was the manager there - Following further investigation we found out he was Mr Cyril Reed, manager of the Suters in Slough store*"

He passed away in August 1998 and had moved to Weston-Super-Mare in 1984.

A photograph of him and the The Uxbridge Wednesday Cricket Club from the 1930s is below

The Uxbridge Wednesday Cricket Club was almost entirely composed of Suters people from the two Uxbridge shops. According to an obituary notice published in the Middlesex Advertiser on the 23rd March 1975 Arthur Suter was instrumental in forming the club. The club played from 1930 until the outbreak of war in 1939.

A photograph (**fig 09.03 above**) shows standing at the back from the left Leonard Futcher, an unidentified man, Mr Bendall, Mr C. S. Reed and two unidentified men and sitting in the front from the left John Suter, Clarence Suter, Mr Herbert Worsfold (Captain), Frank Suter and an unidentified man. Messrs Futcher and Bendall were, later, managers at the Ruislip shop. **Mr Reed** was, in 1962, re-employed by Suters to take over staff management when Tom Suter was appointed manager of the Slough store following Herbert Worsfold's retirement.
