D.M's CHANGE-a-ROUND

At Slough Mrs. W. Jaggard and Miss L. Payne have swapped departments. So now Mrs. Jaggard takes care of Stationery, Handbags, Luggage and Sweets; and Miss Payne, Cosmetics, Hosiery, Scarves and Gloves.

Good luck to both in their new jobs.

HAVE YOU NOTICED?

House Dresses, Overalls and Pinnies are now on the ground floor at Slough.

We welcome back Mrs. Dalzell who is taking on her original position as Department Manager, Dress Fabrics Slough

Miss Eileen Jones, well known both at Slough and Uxbridge before her three year stay in Australia, is now working on Merchandise Research – perhaps not so homesick for Australia now the sun is shining here.

Our lads at Slough are trying to get a football team going – played their first match on Sunday against a Slough College team; drew 1-1, good show, lads.

STORKIE SHORTIES

Congratulations to Mr. and Mrs. Dollimore on the acquisition of John Paul, a chip off the old pot.

FLYING HIGH AND FAR

OUR BUYERS

Mr. Oakley to Finland on a buying expedition. What a pity he had to buy the furs with the bears still inside, makes ticketing such a problem.

Mr. Dollimore has been to Spain to study the products of the Lladro Figurine factory. Hope he not brought back a bull for his china shop.
