FROM MR. J. L. PLUMTREE - late of the Uxbridge store.

A sincere thank you to the entire company of Suters - to the Board of Directors and Executive for their gift and for the letters of good wishes.

Also, for the gift accompanied by a card with the multitude of signatures from my friends at both Slough and Uxbridge: very many thanks.

When I am established at Bourne I will try to send an issue for Spotlight periodically.

J.L.Plumtree.
