SUTER'S STYLISH SHOP.

Messrs. Suter, who have a fine range of window frontage in the Uxbridge High-street and Windsor-street, have always adopted the policy of reducing prices to such a low level that ensures absolute clearance of season's goods, and at this sale in every department drastic reductions have been made. Whether for ladies, children or gents, in all sections genuine reductions have been effected. In the hosiery departments there are many bargains at half the usual prices, full ranges have been reduced to half their usual figures, and these ranges are complete with every fashionable shade. Gloves, too, either in skins or fabrics, have been reduced to make way for the coming season stocks; only the very best makes are stocked, and customers can be assured of getting a good glove at the lowest possible price.

Cretonnes again are a big feature, with two special lines at 10½d. and 1s. per yard, both are at half their usual price: the quality is the best and colourings perfect. Cotton piece goods, both ranges and oddments, are reduced; the summer has yet to come, and intending purchasers will find the newest designs in voiles, taffetas, art silk fabrics at prices to suit all pockets.

Men-folk also will find tempting offers in shirts, sports wear, ready-to-wear suits.

Remnants and oddments will be cleared at half marked prices every Saturday throughout the sale, but customers are advised to shop early to secure the many bargains at prices which cannot be repeated.
